Dear Parent:

We are pleased to announce that Temple Baptist Church Legacy Youth Group will attend Acquire the Fire at the Denver Coliseum on Friday, April 29th and Saturday, April 30th. We will be spending two nights at the Comfort Inn & Suites (4685 Quebec Street, Denver, CO Phone number 303-388-8100). On Sunday, we will be attending morning church services at Applewood Baptist Church (11200 W 32nd Ave. Wheatridge, CO). After church services we will be going to the Colorado Mills Mall for lunch and give your teen a chance to shop if they desire.

The theme this year at the conference is "COLLISION". Acquire the Fire's "Collision –Mend the Broken" tour is confronting life's collisions head on with a message of hope and restoration to this young generation. The conference is a weekend that is geared specifically towards teens today. There will be intense drama, featured guest speakers, praise and worship band, and Christian concerts. It is our prayer that your teen comes home Sunday motivated and fully equipped and inspired to share the life-changing gospel message to his/her friends.

We are very excited about this upcoming weekend with your teen. If you have any questions please call Co-Youth Directors, Vickie Kilmer @ 539-6208 or Tim Smith @539-5214.
